HOME AWAY FROM HOME

25 years ago, Philip's yearning for home sparked something in him. The smell of the grill, the backyard laughter, the easy feeling of friends around the barbeque. He missed his home, San Antonio, Texas.

So he pulled out the family recipes and did what anyone would do, he started a steakhouse. A little piece of what he'd left behind. A place where everyone was welcome to share in the warmth of Texas hospitality.

These days, Texas Longhorn Steakhouses are 35 strong, a brand well-known and loved throughout the nation. And Philip is still at the helm.

The menu is broad, and while steaks and ribs will always be mainstays, we strive to cater to a wide range of guests, with fish and an exceptional vegetarian assortment on offer. Our menu reflects our commitment to quality ingredients and the passion we have for the food we serve.
